

# The Harder They Come

[moe.](#)

Ooh?

The harder they come

Maybe love is not for me

Maybe lovers dream things that I don't dream

Maybe oh, maybe

Maybe you are just a little boy

Ask again you want a pride and joy

Maybe I should set you free

The harder they come

The harder they fall

Baby, maybe I would rather not go there at all

The harder they come

The harder they fall

Maybe I would rather not come here at all

See what comes 'round

The harder they come

The harder they come

The harder they fall

Baby, maybe I would rather not go there at all

The harder they come

The harder they fall

The harder they come

Come here at all?
