

Artpop

Kieron

Free my mind, ARTPOP
You make my heart stopCome to me, in all your glamour, and cruelty
Just do that thing that you do
And I'll undress youGive it time, sometimes the simplest move is right
The melody that you choose
Can rescue you?A hybrid can withstand these things
My heart can beat with bricks and strings
My artpop could mean anything[Chorus]
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
ARTPOP, ARTPOPCome to me, without a subtext and fantasy
Just do that thing that you do
For my love is youLove is fly, I've flown my beaches with lover's side
Look at the better you choose
And profit youA hybrid can withstand these things
My heart can beat with bricks and strings
My artpop could mean anythingCould try to sell you out or I
Could show you all the reasons why my artpop could mean anything[Chorus]
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
ARTPOP, ARTPOP[Chorus]
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
ARTPOP, ARTPOPBrushing your darkness won't help you create your destiny of super
Artpop could mean anything
Anything
I try to sell myself, but I am really laughing
Because I just love the music not the bling
Music not the bling[Chorus]
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
ARTPOP, ARTPOP[Chorus]
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)
We could, we could, belong together (artpop)

ARTPOP, ARTPOPFree my mind, ARTPOP
You make my heart stop
