Dot dot dot dot dot dah dah
Walking under the maple tree
To myself I am pondering
Thinking about all these things
That's bothering me lately
Why is this pressure all on me?
Why this negativity?
If something's wrong, blame it on me
B E Y O N C E
Shut up, no one said to open your mouth
Shut up, if you do not like me how about
Shut up, why waste your energy on me?
Shut up, is it 'cause you wanna be me?
Dot dot dah dot dot dah dah
(No more lying)

Everybody judging me
Knowing nothing about me
Causing insecurities

Because of someone's jealousy
Losing all my privacy
Wanting much more normalcy
Learning to appreciate mainly
Gifts my God has given me
Shut up, no one said to open your mouth
Shut up, if you do not like me how about
Shut up, why waste your energy on me?
Shut up, is it 'cause you wanna be me?
