Moment

[Matthew Good](#)

There's a risk that lets you see
The red lights falling through the trees
Like quicksand constant to your knees
But it wasn't always like this you know
I wasn't always like this you knowFearless we set out to breathe
Mesmerized I fell too deep
And went war with all in me
I wasn't always like this you know
It wasn't always like this you knowThere's gotta be a moment
When you're gonna get it right
And the trouble up your spine
Yeah you're gonna let it go
Oh, there's gotta be a moment
It wasn't always like this you know
It wasn't always like this you knowAnd if you cave you cave to me
And we can fail 'till we succeed
A lap down up into the lead
It won't always be like this you knowIf you walk and find a mountain
Every step can't be the bottom
'Cause there's gotta be a moment
When you're gonna get it right
And the trouble up your spine
Yeah you're gonna let it go
Oh, there's gotta be a moment
When you're gonna get it right
And the trouble up your spine
Yeah you're gonna let it go
Oh, there's gotta be a momentIt wasn't always like this you know
