

Always

Bon Jovi

This Romeo is bleedin'
But you can't see his blood
It's nothing but some feelings
That this old dog kicked up It's been rainin' since you left me
Now I'm drownin' in the flood
You see I've always been a fighter
But without you I'll give up Now I can't sing a love song
Like the way it's meant to be
Well I guess I'm not that good anymore
But baby that's just me And I will love you baby
Always
And I'll be there forever and a day
Always I'll be there till the stars don't shine
Till the heavens burst, and the words don't rhyme
I know when I die, you'll be on my mind
And I'll love you Always Now your pictures that you left behind
Are just memories of a different life
Some that made us laugh, some made us cry
One that made you have to say goodbye What I'd give to run my fingers through your hair
Touch your lips and hold you near
When you say your prayers try to understand
I've made mistakes, I'm just a man When he holds you close, he pulls you near
When he says the words you've been needin' to hear
I wish I was him 'cause those words are mine
To say to you 'till the end of time That I will love you baby
Always
And I'll be there forever and a day
Always I'll be there till the stars don't shine
Till the heavens burst and the words don't rhyme
I know when I die you'll be on my mind
And I'll love you Always If you told me to cry for you, I could
If you told me to die for you, I would
Take a look at my face
There's no price I won't pay
To say these words to you Well there ain't no luck with these loaded dice
But baby if you give me just one more try
We can pack up our old dreams and our old lives
We'll find a place, where the sun still shines And I will love you baby
Always

And I'll be there forever and a day
Always I'll be there till the stars don't shine
Till the heavens burst and words don't rhyme
I know when I die you'll be on my mind
And I'll love you always
