

# I'm Looking Through You

Steve Earle

I'm looking through you,  
Where did you go?  
I thought I knew you,  
What did I know?  
You don't look different, but you have changed  
I'm looking through you, you're not the same Your lips are moving,  
I cannot hear  
Your voice is soothing,  
But the words aren't clear  
You don't sound different,  
I've learned the game  
I'm looking through you,  
You're not the same Why, tell me why, did you not treat me right?  
Love has a nasty habit of disappearing overnight You're thinking of me,  
The same old way  
You were above me,  
But not today  
The only difference is you're down there  
I'm looking through you,  
And you're nowhere Yeh why, tell me why did you not treat me right?  
Well love has a nasty habit of disappearing overnight I'm looking through you,  
Where did you go?  
I thought I knew you,  
What did I know?  
You don't look different,  
But you have changed  
I'm looking through you,  
You're not the same! Baby you've changed  
I'm lookin' through you  
Yeah, I'm lookin' through you
