

# Brassbound

## The Ordinary Boys

Waiting for the right words to say  
For I won't find them any way  
To let you know my true intention  
You must know what you state is wrong  
You let it carry on and on  
Much too late to talk about prevention

Too brassbound to talk about it  
Cause you don't care  
And I'm all ears  
You're not going anywhere

Moderate to satisfy your views  
You're wrapped up on being rude  
You only come here for the action

Fist held high above the crowd  
Hold it firm and hold it proud  
You've found your human interaction

Too brassbound to talk about it  
Cause you don't care  
And I'm all ears  
You're not going anywhere

Think for a minute  
Maybe a minute or two  
And if your heart's still in it  
Then it will hit you!
