

# Take Me Away

Keyshia Cole

I love my baby, I love my baby  
So ready  
I love my baby, I love my baby Well, it's a new hit for the radio  
Just another jam for the dance floor  
I really get it in if you didn't know  
I gotta whole new thing goin' on Break dead if you want to  
'Cause leaving you is what I won't do  
I been in love with you completely  
Ain't nobody else out there for me, for me A couple shots of Patron, but I ain't drinkin' all alone  
I gotta have you with me up in the V.I.P  
Everything we do B-I-G  
And I'ma keep it real 'til I D-I-E Okay, let's go, I'm with it  
And you know  
And you got it  
And I'm ready I'm so in love with you  
No lie, I'm telling the truth  
I'm your woman  
Now, baby, take me away See you in everything I do  
That's why I'm so wrapped up in you  
I'm your woman  
Now, baby, take me away, take me away I love my baby, I love my baby  
(I'm ready, so ready)  
Take me away  
I love my baby, I love my baby I just wanna see you in the morning  
'Cause loving you is easy as I'm dreaming  
Everyday feels like a weekend  
I finally found you and I'm seekin' Feels like I wanna be close to you  
And do all the things that lovers do  
Your love be gettin' me higher  
'Cause, boy, you got that fire, fire A couple shots of Patron, but I ain't drinkin' all alone  
I gotta have you with me up in the V.I.P  
Everything we do B-I-G  
And I'ma keep it real 'til I D-I-E Okay, let's go, I'm with it  
And you know  
And you got it  
And I'm ready I'm so in love with you  
No lie, I'm telling the truth  
I'm your woman  
Now, baby, take me away See you in everything I do

That's why I'm so wrapped up in you  
I'm your woman  
Now, baby, take me awayTake me away  
I love my baby, I love my baby  
If you love me, baby, take me away  
I love my baby, I love my baby  
Can you hear me?Well, it's a new hit for the radio
