

A Woman Like You

Johnny Reid

Have I told you, have I showed you
What I'm feelin' when I hold you?
It feels like heaven, heaven surrounds me Every time you, you wrap your arms around me
And there's nothin' I could say or ever do
To deserve the love of a woman like you When you're with me, when you kiss me
When you tell me how much you've missed me
Every moment we're together Brings us closer, closer to forever
And there's nothin' I could say or ever do
To deserve the love of a woman like you, hey Where would I go, what would I do
Who would I be without a woman like you
A woman like you
