

# Ruby Tuesday

## Declan

She would never say,  
wher she came from.

Yesturday dont matter,  
if its gone.

While the sun is bright,  
or in the darkest night?

No one knows, she comes  
and goes.

Goodbye, Ruby Tuesday,  
who could hang a name  
on you?

When you change  
with every new day.

Dont question  
why she needs to be so free.

I should tell you its the only  
way to be. And she just cant  
be chained to a where nothings  
gained and nothings lost.  
At such a cost OH,

Goodbye, Ruby Tuesday, (ruby tuesday)  
Who could hang a name on you? (name on you)  
When you change with every new day  
still gonna miss you!!

theres no time to lose,  
i heard her say.

Catch your dreams before,  
they slip away.

Dying all the time,

lose your dreams and  
you, will lose your mind.

Its like unkind.

Goodbye, Ruby Tuesday.  
who could hang a name on  
you? (name on you)  
when you change with  
every new day, still gonna miss you!!

Goodbye (goodbye) Ruby Tuesday,  
Who could hang a name on you,  
when you change with every new  
day, still gonna  
miss you!!!

Goodbye, Ruby Tuesday 8x
