Ray Jr.

Ray Jr.]Smoking big 50's, doing big in big cities
Hit the strip club, big ass big titties
Poppin' big bottles, big 'tron, big Remy
Versace shades on me like Biggie
Baby, babyCountin' big benji's, doing big in big cities

Big body Benz, big rims, big paint
A 4 in the fanta boy that's a big drank
Hard gold rollie on me, that's a big wrist
Paying for the pussy dog that's a dick trick
Her bird in the hundred benz, that's a Biglet
Plug told on the hood, that's a big snitch
Free my nigga Chase but that's the big homie
Never left the crib without something big on it
City full of woods boy and I'm the big ticket
.40 with the extendo, we call that the big biscuit
Smoking big 50's, doing big in big cities
Hit the strip club, big ass big titties
Poppin' big bottles, big 'tron, big Remy
Versace shades on me like Biggie
Baby, babyMiami for the weekend nigga that's the big beach
ATL Georgia we call that the big peach
Shake that ass for me, do it like a big freak
Hundred bottles in the club feeling like I'm Big Meech
Riding foes, escalate with the big screen
Niggas hating but them niggas sweet like they 16
Them broke niggas love coming off of big digits
Big Gucci, big Louis, big Fen
Never pillow talkin' chicks but that's some bitch shit
Smoking big 50's, doing big in big cities
Hit the strip club, big ass big titties
Poppin' big bottles, big 'tron, big Remy
Versace shades on me like Biggie
Baby, babyAy they sayin' Ray you don't flame nigga
I reply shit ain't shit changed nigga
Rolex diamond shinin', seats reclinin'
These niggas rather kick with a ladder, as I climb it
Louis luggage, first class flights to switch the climate
She representin' on the bent, I had to blind it

7-50 LI shit, I let her test drive
They say foreign cars increase a dicks sex drive
All my bitches blow that check for them cheap hoes
I like my bitches in 2's, I call em free throws
Off in Dolo, ride solo, [?]
Now we rock our own logo's
The dial dialing, no nigga hotter, hey pop a bottle
One year local, ya tote a 40 when ya blow a choppa
If getting money a lawn, then I'm a grasshopper
Versace shades, red bone like I'm Big Poppa
AySmoking big 50's, doing big in big cities
Hit the strip club, big ass big titties
Poppin' big bottles, big 'tron, big Remy
Red bone on me like Biggie
Baby, baby
