

Comin' Home

Kiss

It's been a month or two since I was sleepin' with you
I'm comin' home again
I've been to East and West, but baby I like best
The road that leads to you Oh girl, it seems the whole wide world seems to say
Hotels that all look the same
Just seem to drive me insane
But I can't get away
Until I receive a call that tells me that will be all
And then I hop a plane It's true, I'm not sure if you know
I'm comin' home to you Oh girl, it seems the whole wide world seems to say
Hotels that all look the same
Just seem to drive me insane
But I can't get away
Until I receive a call that tells me that will be all
And then I hop a plane It's true, I'm not sure if you know
I'm comin' home to you I'm comin' home to you
I'm comin' home to you
I'm comin' home, baby
