

Salaam

Sami Yusuf

I dream for a day
When therell be
No more miseryWhen theres no more hunger
No need for shelter
Isnt there enough to share
Or is that we just dont care?Were here for a day or twoLet me show my way
Salaamu alaik, Salaamu alaik, Salaamu alaikum
I pray for a day
When therell be
Justice and unityWhere we put aside our differences
Fighting makes no sense
Just a little faith
To make it a better placeWere here for a day or twoLet me show my way
Salaamu alaik, Salaamu alaik, Salaamu alaikum
Salaamu alaikum Ya ahlas-salaam, Salamu alaikum
Salaamu alaikum Sayyid al-Kiram, Salaamu alaikum
Let me show my waySalaamu alaikum, alaikum, alaikum
