

Father to Son

[Phil Collins](#)

Somewhere down the road, you're gonna find a place
It seems so far, but it never is
And you won't need to stay, but you might lose your strength
On the way Sometimes you may feel, you're the only one
'Cos all the things you thought were safe, ooh now they're gone
But you won't be alone, 'cos I'll be here to carry you along
Watchin' you til' all the work is done When you find your heart, you'd better run with it
'Cos when she comes along, she could be breakin' it
No there's nothin' wrong, you're learnin' to be strong
Don't look back And she may soon be gone, so don't look back
She's not the only one, remember that If your heart is beatin' fast, then you know she's right
If you don't know what to say, well that's all right
Don't know what to do
Remember she is just as scared as you Don't be shy, even when it hurts to say
Remember, you're gonna get hurt someday, anyway
Then you must lift your head, keep it there
Remember what I said I'll always be with you don't forget
Just look over your shoulder, I'll be there If you look behind you, I will be there
If you look behind you, I will be there
