Beautiful Feeling

PJ Harvey

Sometimes I can see for miles
Through water and fire
From England to America
Feel life meet my eyesAnd it's the best thing
It's the best thing
It's the best thing
A beautiful feelin'A smile from San Diego
He is still a boy
Two ends to every rainbow
And a train from MexicoAnd he's the best thing
He is the best thing
An' he is the best thing
A beautiful feelin'An' when I watch you move
And I can't think straight
And I am silenced
And I can't think straightIt's the best thing
It's the best thing
The best thing
Such a beautiful feelin'
