

Farewell Ride (Remix by Subtle)

[Beck](#)

Two white horses in a line
Two white horses in a line
Two white horses in a line
Carrying me to my burying groundSome need diamonds, some need love
Some need cards, some need luck
Some need dollar bills lining their clothes
All I need is, all I need isTwo white horses in a line
Two white horses in a line
Two white horses in a line
Taking me for my farewell rideSome may say this might be your last farewell ride
Some may say this might be your last farewell rideI don't see the face of kindness
And I don't hear the mission bells
I don't smell the morning roses
All I see is, all I see isTwo white horses in a line
Two white horses in a line
Two white horses in a line
Carrying me to my burying groundSome may say this might be your last farewell ride
Some may say this might be your last farewell ride
