

# Love Rain

Jill Scott

Love rain down on me, on me, down on me  
Love rain down on me, on me, down on me  
Love rain down on me, on me, down on me  
Love rain down on me, on me, down on me  
Met him on a Thursday, sunny afternoon  
Cumulus clouds, eighty-four degrees, he was brown  
Said he wanted to talk about my mission  
Listen to my past lives  
Took me on long walks to places where butterflies rest  
Easy, talked about Moses and Mumia  
Reparations, blue colors and memories of the shell tops  
Adidas, he was fresh  
Like summer peaches sweet on my mind  
Like block parties and penny candy  
Us was nice and warm  
No jacket, no umbrella, just warm  
At night we would watch the stars  
And he would physically give me each and every one  
I felt like cayenne pepper, red, hot, spicy  
I felt Dizzy and Sonia, heaven and Miles between my thighs  
Better than love, we made delicious  
He me had, had me he  
He had me tongue tied  
I could hear his rhythm in my thoughts  
I was his sharp, his horn section  
His boom and his bip  
And he was my love  
Love rain down on me, on me, down on me  
The rain was fallin' and slowly and sweetly  
And stinging my eyes  
And I could not see that he became my voodoo priest  
And I was his faithful concubine  
Wide open, wide loose like bowels after collard greens  
The mistake was made, love slipped from my lips  
Dripped down my chin and landed in his lap  
And us became new  
Now me non-clairvoyant and in love  
Made the coochie easy and the obvious invisible  
The rain was falling and I couldn't see the season changing

And the vibe slipping off it's axis  
Our beautiful melody became wildly staccato  
The rain was falling and I could not see  
That I was to be plowed and sowed and fertilized  
And left to drown in his sunny afternoon  
Cumulus clouds, eighty-four degree, melody  
Love rain down on me, on me, down on me  
Love rain down on me, on me, down on me  
Wide open wide loose  
The mistake was made, love slipped from my lips  
Dripped down my chin and landed in his lap  
And us became new  
Me not clairvoyant and in love  
Made me the fool  
You were never true  
If you didn't want me  
Ah you should have let me know  
All you did was make a mockery  
Of something so incredible, beautiful  
Love rain down on me, on me, down on me  
(I honestly did love)  
Love rain down on me, on me, down on me  
Love rain down on me, on me, down on me  
Love rain down on me, on me, down on me  
Love rain down on me, on me, down on me  
Love rain down on me, on me, down on me
