

# You're So Dark

## Arctic Monkeys

[Verse 1]

You got your H.P. Lovecraft  
Your Edgar Allan Poe  
You got your unkind of ravens  
And your murder of crows  
Catty eyelashes and your Dracula cape  
Been flashing triple A passes  
At the cemetery gates[Hook]  
Cause you're so dark, babe  
But I want you hard  
You're so dark, babe  
You're so dark  
You're so dark  
You're so dark[Verse 2]  
And you're so mysterious  
Got that obsession with death  
I saw you driving your Prius  
And even that was Munster Koach-esque  
You watch Italian horror and you listen to the scores  
Leather-clad and spike collar  
I want you down on all fours[Hook]  
Cause you're so dark, babe  
But I want you hard  
You're so dark, baby[Bridge]  
I know you're nothing like mine  
Cause she's walking on sunshine  
And your love would tear us apart  
And I know I'm not your type  
Cause I don't shun the daylight  
But baby I'm willing to start  
You're so dark  
Got your H.P. Lovecraft  
Your Edgar Allen Poe  
Got your unkind of ravens  
Got your murder of crows[Hook]  
You're so dark, babe  
But I want you hard  
You're so dark, baby  
But I want you hard  
You're so dark, oh  
But I want you hard

You're so dark, baby
