

# My Friends Over You

## New Found Glory

I'm drunk off your kiss  
For another night in a row  
This is becoming too routine for me  
But I did not mean to lead you on  
And it's all right to pretend  
That we still talk  
It's just for show, isn't it?  
It's my fault that it fell apart  
Just maybe  
You need this  
And I didn't mean to  
Lead you on  
You were everything I wanted  
But I just can't finish what I started  
There's no room left here on my back  
It was damaged long ago  
Though you swear that you are true  
I still pick my friends over you  
My friends over you  
Please tell me everything  
That you think that I should know  
About all the plans we made  
When I was never to be found  
And it's all right to forget  
That we still talk  
It's just for fun, isn't it?  
It's my fault that it fell apart  
'Cuz maybe  
You need this  
And I didn't mean to  
Lead you on  
You were everything I wanted  
But I just can't finish what I started  
There's no room left here on my back  
It was damaged long ago  
Though you swear that you are true  
I still pick my friends over you  
My friends over you  
Just maybe you need this

You need this  
And I didn't mean to  
Lead you on  
You were everything I wanted  
But I just can't finish what I started  
There's no room left here on my back  
It was damaged long ago  
Though you swear that you are true  
I still pick my friends over you  
You were everything I wanted  
But I just can't finish what I started  
There's no room left here on my back  
It was damaged long ago  
Though you swear that you are true  
I still pick my friends over you  
My friends over you
