

You Don't Love Me Anymore

Tim McGraw

She walks over to him and she says do you remember me
I think we might have met somewhere before
Southern Carolina is the place that comes to mind
But hey, I guess you never really can be sureOh, there's nothing like a true love
To go and make a fool of someone just like before
And right there for a minute
I forgot that you don't love me anymoreAnd an old familiar feeling
Wraps its arms around the moment
And he says so many times I've tried to callWell, you think you'd spent a lifetime
It's been two years since I've seen you
But it seems just like no times gone by at allThere's nothing like a real love
To give you back the feel of someone just like before
And right there for a minute
I forgot that you don't love me anymoreOh and how far we'll travel
For a place to heal our hearts
We watched it unravel
So why's tonight the hardest partThen he says the weather's changing
And it's icing up the highway
So I guess it's time for me to hit the roadSo she says goodbye and
Then before she knows what she is saying
She says I wish you didn't have to goOh, there's nothing like a true love
To go and make a fool of someone just like before
And right there for a minute
I forgot that you don't love me anymoreAnd right there for a minute
I forgot that you don't love me anymore
