

Tadlockâ€™s Glasses

Beastie Boys

Now it's suffice to say that I'm nicer
Nice in the cut and yes I'm the slicer

Or should I say I'm the filleter

I hate the game I hate the player

But don't get discombobulated and upset

Because trust me we ain't even begun yet[Chorus]

Mike D's got it locked and we rock it nonstop

Adrock's got it locked and we rock it nonstop

MCA's got it locked and we rock it nonstop

And you don't stop the body rockWatch me make it pop now I make it sizzle

As I flip your omelet up at the b bizzle

I'm like multo Mario they call me Tasty D

Your quick fire challenge freak the huiki

You can call me chef 'cause it's bonafide

Knife skills on the block that I'm taking world wide[Chorus]I've got bass lines bubbling up on out of my hands

Don't want to never play nothin' that sounds too bland

Shazam! Sprinkle on some magic dust

You've got a bagel in your pants and that's a must

Plus I cuss and I grab my nuts

Got a six finger ring that says "Excuse our dust"[Chorus]Sometimes things just don't connect
