

One Step Closer (2016 Remastered)

The Doobie Brothers

Baby, there's a chance you ought to take
Chance of a mistake you gotta make
Maybe I'm mistaken
To take my chance with you I need you like a shadow needs a light
I'll follow you like morning follows night
When nothing's left ahead of you
I'll be right behind you Shadows disappear at night
We both know it's a shame if you should lose one
Why is it so hard to find?
Tell me that you're right there too One step baby
Two steps maybe
One step closer
I'll be next to you Baby, it's a secret I can't keep
Trouble comes and suddenly you're weak
I don't believe you got the strength
To fight this kind of love I know it's risky now and then
What with all the what ifs and the whens
Who is there to say we're wrong
To tell us it can't be Come on, baby, please don't go
I'm no heart of stone and you know
Why is it so hard to do?
Tell me that you're right here too, baby Baby, can't you see we're runnin' late
Can't you see we ain't got time to wait
Might be that you're scared of me
Of something you might feel Hold on to me, baby, hold on tight
I can take us through the night all right
Maybe I will stay here
To take my chance with you Shadows disappear at night
We both know it's a shame if you should lose one
Why is it so hard to find?
Tell me that you're right there too One step baby
Two steps maybe
One step closer
