

# Blue Light (Engineers Anti-Gravity Remix)

## Bloc Party

You'll find it hiding in shadows  
You'll find it hiding in cupboards  
It will walk you home safe every night  
It will help you remember If that's the way it is  
Then that's the way it is I still feel you and the taste of cigarettes  
What could I ever run to  
Just tell me it's tearing you apart  
Just tell me you cannot sleep And you didn't even notice  
When the sky turned blue  
And you couldn't tell the difference  
Between me and you  
And I nearly didn't notice  
The gentlest feeling
