

Who's Crying Now

Journey

It's been a mystery
But still they try to see
Why something good can hurt so bad
Caught on a one-way street
The taste of bittersweet
Love will survive somehow, somewhere One love, feeds the fire
One heart, burns desire
Wonder, who's crying now?
Two hearts, born to run
Who'll be the lonely one?
Wonder, who's crying now? So many stormy nights
So many wrong or rights
Neither could change their headstrong ways
And in a lover's rage
They tore another page
The fighting is worth the love they save One love, feeds the fire
One heart, burns desire
Wonder, who's crying now?
Two hearts, born to run
Who'll be the lonely one?
Wonder, who's crying now? Only so many tears you can cry
'Til the heartache is over
And now you can say your love,
Will never die Whoa ooh ooh, ooh ooh One love, feeds the fire
One heart, burns desire
Wonder, who's crying now?
Two hearts, born to run
Who'll be the lonely one?
Wonder, who's crying now?
