

# I Only Have Eyes for You

[Jamie Cullum](#)

Are the stars out tonight?  
I don't know if it's cloudy or bright  
'Cause I only have eyes for you, dearMy love must be some kind of blind love  
I don't see anybody but youThe moon may be high  
But I can't see a thing in the sky  
'Cause I only have eyes for youI don't know if we're in a garden  
Or on a crowded avenueYou are here, so am I  
Maybe millions of people go by  
But they all disappear from view  
And I only have eyes for youMy love must be some kind of blind love  
I don't see anybody but you
