

# Do Me Right

Asie Payton

Do me, do me, do me right  
Do me, do me...  
I wait up late at night  
Put out the candlelight  
Go to sleep because i know  
You'll be here tomorrow when i wake up  
Give all the time you need  
Your words i will believe  
See it though the little things  
If you know never to abuse it  
Don't try me  
Don't lie to me  
Don't be afraid  
Oh..  
Dhorus:  
Do me, do me, do me right  
Now make  
All your wishes come alive  
When I say  
Do me, do me, do me wrong  
And i will  
Give you more than you have to pay  
Do me, do me, do me right  
Now make  
All your wishes come alive  
When I say  
Do me, do me, do me wrong  
And I will  
Make you wished that you never stayed  
Do me, do me, do me right  
Do me, do me...  
Champange and caviar  
So close but no cigar  
All I need is what you are  
Designer suit?  
I'd rather see you on the weekend  
Any words than honesty  
Is more than enough for me  
I'll wait and I'll be true

I just need to hear you say "I love you"

Don't try me

Don't lie to me

Don't be afraid

Oh..no

chorus:

Do me, do me, do me right

Now make

All your wishes come alive

When I say

Do me, do me, do me wrong

And I will

Give you more than you have to pay

Do me, do me, do me right

Now make

All your wishes come alive

When I say

Do me, do me, do me wrong

And I will

Make you wished that you never stayed

Give you all the time that you might need

Every single word I will believe

If you never ever crossed the line

If I had the chance I will stand by you

But you got to promise to be true

Anyway I say

Do me right now and make your wishes come alive

Chorus:

Do me, do me, do me right

Now make

All your wishes come alive

When I say

Do me, do me, do me wrong

And I will

Give you more than you have to pay

Do me, do me, do me right

Now make

All your wishes come alive

When I say

Do me, do me, do me wrong

And i will

Make you wished that you never stayed

Do me, do me, do me right

Now make  
All your wishes come alive  
When I say  
Do me, do me, do me wrong  
And i will  
Give you more than you have to pay  
Do me, do me, do me right  
Now make  
All your wishes come alive  
When I say  
Do me, do me, do me wrong  
And i will  
Make you wished that you never stayed
