

# Razzle Dazzle

Bill Haley

On your mark (on your mark!)

Get set (get set!)

Now ready (ready!) go!

Everybody razzle dazzle

Everybody razzle dazzle

Everybody razzle dazzle

If it's all night long

Now here's a dance (a-waka-do, waka-do)

Everyone can do (a-waka-do, waka-do)

It's the hipster's dance (a-waka-do, waka-do)

And the square cats too (a-waka-do, waka-do)

Won't you take a chance (a-waka-do, waka-do)

This is all you do (a-waka-do, waka-do)

You just take your baby

Don't you leave that spot

Then you dance like crazy

Give it all you got

That's the razzle dazzle

If your ready or not

On your mark (on your mark)

Get set (get set)

Now ready (ready) go!

Everybody razzle dazzle

Everybody razzle dazzle

Everybody razzle dazzle

If it's all night long

Let's get together (get together)

One, two and three (one, two and three)

Jumping to the setter (to the setter)

Just you and me (just you and me)

Put your best foot forward (waka-do, waka-do)

Baby can't you see (baby can't you see)

When you hear them holler

And you ain't nowhere

Honey, you just foller  
'Cause we're sure not square  
That's the razzle dazzle  
Well, it's everywhere

On your mark (on your mark)  
Get set (get set)  
Now ready (ready) go!

Everybody razzle dazzle  
Everybody razzle dazzle  
Everybody razzle dazzle

If it's all night long  
Everybody razzle dazzle  
Everybody razzle dazzle  
Everybody razzle dazzle

A-going on and off  
If it's all night long  
That's the razzle dazzle  
Razzle dazzle song
