

# Devils In the Detail

## UFO

We had great expectations  
We had a lavender sea  
We had cause and the potions Prince of the city, king of the keys The devil's in the detail  
Your secret's safe with me  
The devil's in the detail  
And we're all out to sea  
The devil's in the detail  
We're at the watershed  
The devil's in the detail  
Sleeping in my bed  
The devil's in the detail  
Weaved within the cloth  
The devil's in the detail  
He's out collecting moths  
The gates of Babylon opened  
We fell upon our prey  
Everything was taken  
It was the summer of our day  
Come here my skanky toady  
Let me whisper in your ear  
If you think you're fooling anyone  
Baby it's not very clear The devil's in the detail  
Your secret's safe with me  
The devil's in the detail  
And we're all out to sea  
The devil's in the detail  
Underneath the stone  
The devil's in the detail  
Chewing on the bone  
The devil's in the detail  
We're at the watershed  
The devil's in the detail  
She's sleeping in my bed  
The devil's in the detail  
We're at the watershed  
The devil's in the detail  
Now she's sleeping in my bed  
The devil's in the detail  
Underneath the stone

The devil's in the detail  
It's chewing on the boneThe devil's in the detail, the devil's in the detail  
Your secret's safe, your secret's safe with me
