

Silly Heart

Jesse Winchester

Silly Heart you smile so bright
Warmer than a summer night
Come and take a silly walk with me
A lovely day, sort of cool
A day to play the perfect fool
It's a day to be a Silly Heart with youAsk me no questions
Silly Heart you'll get no lies
Silly hearts just say hello
They don't bother about good-byes
I see love light all in your eyes
Silly heart you make me sing
I love you for the fun you bring
I wish I had a Silly Heart like youAsk me know questions
Silly Heart you'll get no lies
Silly hearts just say hello
They don't bother about good-byes
I see love that's deep in your eyes
Silly Heart you laugh so gay
Like to kiss you when you get that way
Pleased to meet a Silly Heart like youYes, it's high time
I had a Silly Heart like you
