Tripping Over Gravity

Sam Phillips

Black Niagara
Of control spilling down to culture mock
You can tell me
Feet will land on the ground, safe and walkTripping over gravity
Missing logic
Tripping over gravityHicks on fire
Commuter virus has killed the balance ball
Stained with heaven
Always washing our legs wont move at allTripping over gravity
Missing logic
Tripping over gravityFree thought pirates
Neon fights flashing rights on concrete lace
Sleepless tired
Walls of print chatting cage on jokers faceTripping over gravity
Missing logic
Tripping over gravity
