

Tripping Over Gravity

[Sam Phillips](#)

Black Niagara
Of control spilling down to culture mock
You can tell me
Feet will land on the ground, safe and walk Tripping over gravity
Missing logic
Tripping over gravity Hicks on fire
Commuter virus has killed the balance ball
Stained with heaven
Always washing our legs wont move at all Tripping over gravity
Missing logic
Tripping over gravity Free thought pirates
Neon fights flashing rights on concrete lace
Sleepless tired
Walls of print chatting cage on jokers face Tripping over gravity
Missing logic
Tripping over gravity
