

Rumpofsteelskin

Parliament

Look it here!

The Motor Booty where you shake your rump

The Motor Booty where you funk

The Motor Booty where you shake your rump

The Motor Booty where you funk

The Motor Booty where you shake your rump

The Motor Booty where you funk

The Motor Booty where you shake your rump

The Motor Booty where you funk

The Motor Booty where they shake their rump

The Motor Booty where they funk

The Motor Booty where they shake their rump

The Motor Booty where they funk

The Motor Booty where they shake their rump

The Motor Booty where you funk

The Motor Booty where they shake their rump

The Motor Booty where they funk Rumpofsteelskin, he don't rust and he don't ben

He's got dynamite sticks by the megatons in his butt Rumpofsteelskin, he don't know that he can't win

His motor-booty lady is never gonna blow us up

Hey-ya-eee Rump-ahh-ah-of Steelskin The motor booty where they shake their rump

The motor booty where they funk

The motor booty where they shake their rump

The motor booty where they funk

The motor booty where they shake their rump

The motor booty where they funk (Bomb squad!)

The motor booty where they shake their rump

The motor booty where they funk

(Put out water) Livin' and jivin' and diggin' the skin he's in Rumpofsteelskin I'm ready for the race

I've got a motor booty and I'm full of gas, baby! (Motor booty baby!)

Let me blow your yeah, yeah baba bubba (Motor booty baby!)(Wind me up!)(Motor booty baby!)Ho!! And

that's how it goes in the land of no nose

So he was still body snatcher and anti-bodies can't stop us now

Starchild here, sayin'

Demand you know, but chills and thangs, you don't have to pay

No bills and thangs Blow nose! Well they'll be waggin' lest you do behind them? And like the blowfish said to
the shark

"Got anything from the hammerhead?" Motor booty baby! Rumpofsteelskin, he don't rust and he don't bend

He's got dynamite sticks by the megatons in his butt Rumpofsteelskin, (yeah, it's kind of got a little future
behind it)

He don't know that he can't win his motorbooty lady
Is never gone blow us upHey-eh-yeah Rumpah-ah-of steelskin!Livin' and jivin' and diggin' the skin he's inHey-
eh-yeah Rumpah-ah-of steelskin!Yo! Rumpofsteelskin is a lump above the rest with with the best
Let's go wiggle it out SUCKER! Knock the funk off my shoulder!Livin' and jivin' and diggin' and the skin he's
in
