

As Lambs

Haste the Day

you send us out as lambs amongst the wolves
but the Lion stands by our side
you will be my guide
i need you to lead me
i am so weak without you
i'm tired of fighting
i need you to fight for me
you will be my guide
Jesus
your voice is so sweet to my ears
Jesus
i desire to be close to you
fill me with your Spirit God
you've given me a sword to kill my enemies
Father, take these struggles from me
