# Does Everyone Stare

## The Police

I change my clothes ten times before I take you on a date
I'm in a cold sweat, I panic, and it makes me late
I knew you never asked for this, I know
My shots will always misfire, my shots will always missDoes everyone stare this way at you?
I only look this way at youI change my clothes ten times before I take you on a date
I get the heebie-jeebies, and my panic makes me late
I break into a cold sweat reaching for the phone
I let it ring twice before I chicken out and decide you're not at homeDoes everyone stare the way I do?
I only stare this way at youI never noticed the size of my feet
Until I kicked you in the shins
Will you ever forgive me
For the shape I'm in? For the shape I'm inDoes everyone stare the way I do?
I only stare this way at youI'm gonna write you a sonnet but I don't know where to start
I'm so used to laughing at the things in my heart
Last of all I'm sorry, 'cos you never asked for this
I can see I'm not your type and my shot will always miss, always missDoes everyone stare the way I do?
I only stare this way at you
