

# The Vagina Song

## Bloodhound Gang

Some of them are hairy, Some of them are bald  
Some are kind of scary, And this is what they're called

VagiHaaaaina!(vagina)

VagaHoooo!(vagina)

They call that thing..vagina

Some belong to virgins, They're really tight and strong

But big or small i love em'all

That's why i sing my song!

VagiHaaaaina!(vagina)

VagaHoooo!(vagina)

They call that thing..vagina

Vagina!

Some of them are smelly, Like clams and fish and such  
Some smell like a summer's eve cause they've been douched too much

VagiHaaaaina!(vagina)

VagaHoooo!(vagina)

They call that thing..vagina

VagiHaaaaina!(vagina)

VagaHoooo!(vagina)

They call that thing..vagina

Nothing could be finer than to be in a vagina, in the morning
