

Broken Promises for Broken Hearts

She Wants Revenge

Advisory - the following lyrics contain explicit language:

Pay attention my love 'cause it's over
At the tip of my tongue is the price you weren't willing to pay
Still this is something akin to a breakdown
And your impression of a woman supposed to be easy to see
That there'd be torn up photos and lonely nights
Cursing, crying and drawn out fights
Make up, sex and a brand new start
Broken promises for broken hearts
When you look back now was it special
Or was it nothing but anecdote that you can tell now and then?
And I delude myself it was worth it
Even though from the beginning I could see exactly how it would end
That there'd be torn up photos and lonely nights
Cursing, crying and drawn out fights
Make up, sex and a brand new start
Broken promises for broken hearts
Torn up photos and lonely nights
Cursing, crying and drawn out fights
Make up, sex and a brand new start
Broken promises for broken hearts
I wanna wish you away
Wanna wish you away
Wanna wish you away
Wanna wish you away
Wanna wish you away
Wanna wish you away
I wanna wish you away
Wanna wish you away
Wanna wish you away
I wanna kiss you away
Torn up photos and lonely nights
Cursing, crying and drawn out fights
Make up, sex and a brand new start
Broken promises for broken hearts
