Loop De Li (Ray Mang Remix)

Bryan Ferry

You wake up where are you
What's on your mind?
Confusion can't face it
You close your eyes
There's no one to turn to
No where to hide
Deep river, cool water
Your love has diedWell I know and you know, we're killing time
We're on an up down see saw, loop de liI saw you cry
Sweet picture taste bitter, loop de li
Ambition no telling what's on your mind
Hatred and bitter
Loop de liWell I know you and you know, we're killing time
We're on an up down see saw, loop de liYou're watching and waiting you walk on by
Delusion you're drowning
You wonder why ambition no telling what's on your mind?
Sweet picture tastes bitter,
Loop de liHatred and bitter
Hatred and bitter
Hatred and bitter
Hatred and bitter
Loop de li
