Reservations

Sidetracked

How can I convince you it's me I don't like?
Not be so indifferent to the look in your eyes
I've always been distant and I've always told lies for love
I'm bound by these choices so hard to make
I'm bound by the feeling so easy to fake
None of this is real enough to take me from you
Oh, I've got reservations
About so many things
But not about you
I know this isn't what you were wanting me to say
How can I get closer and be further away
The truth proves it's beautiful to lie

An' I've got reservations
About so many things
Not about you
I've reservations
About so many things
But not about you
Not about you
Not about you
Not about you
Not about you
