

New York City

Dreamdate

I don't mind if you get the best of me
Cause i'm still young and you can waste my time.
I won't be here forever and another day, maybe in another day we're gonna get time.

And you don't know what it's like to be a loser,
cause the order of my setlist just depended on
whether or not you're coming to another show.
Maybe at another show you're gonna be mine.

You crossed the line that night,
why is it feeling so right?
You can't have your cake and eat it, too.

I can't wait anymore for you to come around
I'm still young so I can take my time.
Please just stay right here for a little while
I promise in a little while, it's gonna be fine.

You crossed the line that night,
why was it feeling so right?
You can't have your cake and eat it, too.

Cause I can't help it if you have to leave me again,
cause New York City is taking all my friends.
