and you know I will start
you know you're making me feel
like it's time to do the fly
you know you're making me afraid
and I'm going sleep tonightHang on, hang on, she's told
can you see the lie?, can you see the lie?
You know you're making me skill
and I know that life's a cinch
but now I'm looking in your eyes
and I'm telling you life's a cinch
I'm telling you life's a cinchChorus
Life's just a cinch
so easy
life's just a cinch
you row, row, row your boat
gently down the stream, down the stream
nearly, nearly, nearly, nearly
life is just a dreamyou know that's the world
and they call it number 3
can you see the call
you know life is just a dream, just a dream
then you're alive
I'm trying to show you how to stand
I'm gonna show you how to fly
I'm gonna show you how to land
gonna show you how to landChorus
You see...
