

Gnomes On My Back

Eiffel

Gnomes on my back
I got Gnomes on my back I got many me
I got many me
If dick is the world
And world is a freak
You know freaks love strange spots
That's why I got
Gnomes on my back
I got Gnomes on my back
Sirloin steak, blood in your face
Poor integrist's Aunty
Whao00 the whao00
Fun is mine
For the dead pack of hounds
Of this progressive society
Sickly sperm
Damaged germ
Where's the napalm's boom?
Where's the poupoum tchack?
On the Gnomes on my back
I got Gnomes on my back
Gnomes on my back
And Elves on the rack
No! I'm not a fool!
Why d'you insinuate that?
Cause I cut off my genitals in the swimming pool?
Or paint the White House black?
It's just because of the Gnomes on my back
I got Gnomes on my back
Gnomes on my back
And Elves on the rack
