Good Girl

Alexis Jordan

I like tight jeans, dark shades
When I walk the ground shakes, boom
Like an 808, boomYou appreciate my lean body, nice shape
Wanna take me on a date, boom
You got what it takes, boom
You better have some cakeI like how I'm catching your eyes
I like how I don't even try
I like you, I like you, boy
I like you, boyYou might mistake me for a heart breaker
'Cause there's blood on the floor
I'm hoping you see there's something good in me
Never seen beforeMight mistake me for a heart breaker
'Cause there's blood on the floor
I know you're checking me, my heart is up for keeps
There's an open doorI know I can be a good, good girl
I know I can be a good, good girl
I know I can be a good girl, but I've been bad before
Good girlI know I can be a good, good girl
I know I can be a good, good girl
I know I can be a good girl, but I've been bad before
Good girl, but I've been bad beforeI chew bubblegum and talk fast, switch up to high class
On my day-to-day, on these 28s
My hydraulics bump hard, but I can't kiss a car
If you walk away, this could be a dayI like how I'm catching your eyes
I like how I don't even try
I like you, I like you, boy
I like you, boyYou might mistake me for a heart breaker
'Cause there's blood on the floor
I'm hoping you see there's something good in me
Never seen beforeMight mistake me for a heart breaker
'Cause there's blood on the floor
I know you're checking me, my heart is up for keeps
There's an open doorI know I can be a good, good girl
I know I can be a good, good girl
I know I can be a good girl, but I've been bad before
Good girl, but I've been bad beforeGood, good girl
I know I can be a good, good girl
I know I can be a good girl, but I've been bad before
Good girl, but I've been bad beforeGood girl, but I've been bad before

Good girl, but I've been bad before
Good girl, but I've been bad before
Good girl, but I've been bad before
