Getting Away With It (2006 Remastered)

Electronic

I've been walking in the rain just to get wet on purpose
I've been forcing myself not to forget just to feel worse
I've been getting away with it all my life
(Getting away)However I look it's clear to see
That I love you more than you love me
However I look it's clear to see
I love you more than you love meI hate that mirror, it makes me feel so worthless
I'm an original sinner but when I'm with you I couldn't care less
I've been getting away with it all my life
Getting away with it ... all my life
(Getting away)However I look it's clear to see
That I love you more than you love me
However I look it's clear to see
I love you more than you love me
I love you more than you love me
More than you love meI thought I gave up falling in love a long long time ago
I guess I like it but I can't tell you, you shouldn't really know
And it's been true ... all my life
Yes, it's been true ... all my lifeI've been talking to myself just to suggest that I'm selfish (Getting ahead)
I've been trying to impress that more is less and I'm repressed (I should do what he said)However I look it's clear to see
That I love you more than you love me
However I look it's clear to see
I love you more than you love me
I love you more than you love me
I love you more than you love me(Getting away with it...)
(Getting away with it...)
