

# Walking Wounded

## Secondsmile

Is it safe to look within  
And to erase all that's been  
And all that's been between  
Is it gone, tell me what went wrong  
'cause baby I'm not that strong

And I'm walking wounded  
All Alone

Are you comfortable and numb  
Do they all succumb to all those lies  
Does it satisfy the greed  
Is it all you need  
Is it all you want  
'cause baby I'm not that strong

And I'm walking wounded  
All alone

If your memories do stray  
Then they'll betray all that's past  
And all that's been between  
Is it gone tell me what went wrong  
'cause baby I'm not that strong

How does it feel?
