

Nothing Would Be Better

Nick Jonas

Nothing's forever, nothing will be better
In the love you're giving me
I just gotta have you
Wish you didn't have to win you're gonna set me free
Like it or not
We were doomed from the start
I know that you're clean
But nothing's forever, nothing will be better
Better than you and me Than you and me
(Than you and) I take the worst of what you got
It hurts more than sticks and rocks
You know I'll be there
You know I'll be there
And I would be a punching bag
Throw it all and don't hold back
Still I'll be there
You know I'll be there 'Cause I used to live in fear, it was my home
But there are harder things to be, than all alone
You're the broken part of me that makes me hold
But so unsure Nothing's forever, nothing will be better
In the love you're giving me
I just gotta have you
Wish you didn't have to win
You're gonna set me free
Like it or not
We were doomed from the start
I know that you're clean
But nothing's forever
nothing will be better
Better than you and me Than you and me
(Than you and) We don't turn around unless we're throwing stones
And we're crying like these cracks are in my bones
You're the broken part of me that makes me hold
But so unsure Your the broken part of me that makes me hold
But so unsure Nothing's forever, nothing will be better
In the love you're giving me
And I just gotta have you
Wish you didn't have to win
You're gonna set me free

Like it or not
We were doomed from the start
And I know that you're clear
But nothing's forever, nothing will be better
Better than you and me
