We goin international with this one

We can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time

Yalla Habibi

I miss the cuddlin

Miss the kissin

And miss the way you touch me

Why dont we enjoy the beauty of life?

Yalla Baby[Karl Wolf]

Lately, seems like I havent had the time to enjoy life with you girl  
But maybe I should take break from the limelight so we can get away  
At least for a few days or a few weeks (yeah)  
It would be amazing to treat ourselves just a little bit girlWe can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time

Yalla Habibi

I miss the cuddlin

Miss the kissin

And miss the way you touch me

Why dont we enjoy the beauty of life?

Yalla Baby[Rime]

Baby its funny how you say this

Cause I was thinking the same thing

And honey we used to be like Bonnie and Clyde

But now we barely make time for each other

Lets take a trip together

Go somewhere just you and I

Cause baby its been a whileWe can go

Far away

To a sunny place  
Yalla Habibi  
We can fly  
To a place and hide  
So we can spend time  
Yalla Habibi

Miss the kissin
