

For You I Will

Monica

Yes, when you're feeling lost in the night
When you feel your world just ain't right
 Call on me, I will be waiting
 Count on me, I will be there
 Anytime the times get too tough
 Anytime your best ain't enough
 I'll be the one to make it better
 I'll be there to protect you, see you through
I'll be there, and there is nothing, I won't do I will cross the ocean for you
 I will go and bring you the moon
 I will be your hero, your strength, anything you need
 I will be the sun in your sky
 I will light your way for all time, promise you
For you I will, yes yeah, yeahI will shield your heart from the rain
 I won't let no harm come your way
 Oh, these arms will be your shelter
 No, these arms won't let you down
 If there is a mountain to move
I will move that mountain for youI'm here for you, I'm here forever
 I will be your fortress tall and strong
I'll keep you safe, I'll stand beside you right or wrongI will cross the ocean for you
 I will go and bring you the moon
 I will be your hero, your strength, anything you need
 I will be the sun in your sky
 I will light your way for all time, promise you
For you I will, yes yeah, yeahFor you I will lay my life on the line, for you I will fight, oh
 For you I will die, with every breath, with all my soul
 I'll give my word, I'll give it all
 Put your faith in me, put your faith in me
 And I'll do anything ohI will cross the ocean for you
 I will go and bring you the moon
 I will be your hero, your strength, anything you need
 I will be the sun in your sky
 I will light your way for all time, promise you
For you I will, yes yeah, yeahI will, I will, I willI will cross the ocean for you
 I will go and bring you the moon
 I will be your hero, your strength, anything you need
 I will be the sun in your sky
 I will light your way for all time, promise you

For you I will, yes yeah, yeah
Promise you, for you I will
Promise you, for you I will
