

# Bone Breaker (Demo Version) [Bonus Track]

## Kreator

He bursts their heads till they die  
You feel so mad you're feeling so high  
    He arrives he's sent from hell  
Running wild by the sound of the bell  
    Bone breaker he takes your life  
    Bone breaker he eats out your heart  
    Bone breaker he is your death  
    Bone breaker  
    Tonight you'll beat 'em down  
    Tear to shreds and shoot 'em down  
When he's down you've got the right feel  
He bursts your head with his blade of steel
