Alright

The Derek Trucks Band

Grasping like a child who fears being left behind
Scratching in the sand full of lost things
Pouring water on dead flowers
Hoping they might grow again
(might grow again) might grow again
woken up at night by an empty heart
we'll cry ourselves to sleep
It was a false start
A fasle start
I wonder if you
Could ever stop
I wonder if you
Just let this go
I wonder if you
Could ever stop
I wonder if you
Just let it go let it go let it go
It's alright
Oh-oh-oh
It's alright
Oh-oh-oh
It'll be alrightWalking round these halls for two long years
Looking for the door I came in
But now there's (something that I'm waiting for)
Oh, Maybe I've been chasing it
I don't know
But I have to go for a try
Tell me will you try?
Well alright
It's alright
Oh-oh-oh
It's alright
Oh-oh-oh
It'll be alright
Oh-oh-ohThere's a way out,
We can take it if you'd like
It's alright it's alright it's alright it's alright
Turn it into something new,
Whatever we might need

I want to try I want to try I have to try we have to try
To hold on
It's alright (x8)
