

Alright

The Derek Trucks Band

Grasping like a child who fears being left behind
Scratching in the sand full of lost things
Pouring water on dead flowers
Hoping they might grow again
(might grow again) might grow again
woken up at night by an empty heart
we'll cry ourselves to sleep

It was a false start

A false start

I wonder if you

Could ever stop

I wonder if you

Just let this go

I wonder if you

Could ever stop

I wonder if you

Just let it go let it go let it go

It's alright

Oh-oh-oh

It's alright

Oh-oh-oh

It'll be alright Walking round these halls for two long years

Looking for the door I came in

But now there's (something that I'm waiting for)

Oh, Maybe I've been chasing it

I don't know

But I have to go for a try

Tell me will you try?

Well alright

It's alright

Oh-oh-oh

It's alright

Oh-oh-oh

It'll be alright

Oh-oh-oh There's a way out,

We can take it if you'd like

It's alright it's alright it's alright it's alright

Turn it into something new,

Whatever we might need

I want to try I want to try I have to try we have to try
To hold on
It's alright (x8)
